Product Description

A superior quality intermediate grade vinyl for computer-cut use, available in a range of Matt and Gloss colours. It is suitable for outdoor or indoor signage applications onto flat or slightly curved surfaces. The 70 micron soft handle face film offers ease of weeding.

The Matt range has been developed to offer reduced surface glare from overhead lighting, for internal applications such as exhibition and retail.

Specifications

Face Film	70 Micron Intermediate Calendered PVC
Adhesive	Advanced Acrylic
Application Temperature	+5°C to +60°C
Release Liner	Kraft paper (145 micron nominal)
Shelf Life	1 Year
